Spang, Schaefer, Pringle Head Classes Next Year; 792 Vote

RUDY PRINGLE

PETER SPANG

A picture of the third new class president, Dave Schaefer, was not available for publication.

Peter Spang, Dave Schaefer and Rudolph Pringle will lead the senior, junior and sophomore classes for the next school year, according to the outcome of combined class elections held Wednesday in the Well.

This is the first time that combined class elections have been held here. In past years, campaigning and voting for the three slates of class officers has taken approximately three weeks. The reason for this year's one-day campaign and one-day vote was to facilitate the entire procedure for the students and the Elections Committee, according to Katie O'Connor, chairman.

Spang, a junior from Bellefontaine, was elected to head the senior class along with Joe Ferguson, Cincinnati, vice-president; Pat Motter, Ada, secretary; and Barbara Nealis, Dayton, treasurer.

Dick Payne, Bowling Green, will serve as vice-president to Schaefer, Antwerp, newly elected leader of the junior class. Pat Clark, Cuyahoga Falls, has been elected secretary and Vincent Tampio, Fredonia, New York, will be the new treasurer.

Pringle, a freshman from Middletown, will lead next year's sophomores along with Don Baginski, Jefferson, as vice-president; Vivian Beck, Bowling Green, as secretary; and Fran Miller, Massillon, as treasurer.

A total of 792 votes were cast from 9 to 12 a. m. and 1 to 4 p. m. at the voting booths in the Well for the 51 candidates proposed for the 12 offices. The vote was considerably higher this year, according to the committee, which revealed that 38 per cent of the junior class, 33 per cent of the sophomore class and 22 and one-half per cent of the freshman class voted in the elections.

New rules limited the campaigning to one day, with only six posters per candidate, able to be placed around campus.

KAMPUS KOPP "AH-HA, OH-HO, M-M-M-M"

In Our Opinion

Annual Spring Plea

Plea from the students to the faculty—don't hold this current spurge of inactivity against us. Spring brings other things besides head colds, birds, flowers, and warm weather. It brings spring fever, a perennial disease that is not affected by pills, shots, or nose drops. Fresh air and sunshine only make it worse.

You who assign all the work know that this ailment affects everyone to a degree. It knows no class or age distinctions, and appears almost immediately with the first real warm day of spring. Tennis rackets, softballs, and sunburns quickly become the vogue, and

books just have to take a back seat to spring activities—or what little activity there is. In Bowling Green one professor can tell when the spring fever is arriving by watching the sun bathers flock to his back yard. The malady is very contagious, and usually causes a serious maladjustment in class attendance at the same time.

So, dear profs, please consider our plea. We do have good intentions, but nature will have her way. We'll get back to the grind eventually, but first we must loaf, get a bad case of sun burn, and bemoan the work piling up for us. Spring fever may be only an excuse, but then who is better at finding excuses than we students.

The aims of this newspaper shall be to publish all news of general interest to students and University personnel, to guide student thinking, and to exist for the betterment of this University.

Diamondmen Edge Mich. Normal 2-1, Lose To Kent

Coach Warren Steller's baseball team split its opening two games of the 1952 season over the weekend, edging Michigan Normal's strong club 2-1 Friday on the University diamond in 10 innings and losing to Kent State 5-3 the following day at Kent.

Relief pitcher Bob Lybarger took both decisions while pitching only one inning in each contest. The right-hander relieved starter Dick Casper against the Michigan school with the score knotted 1-1 in the tenth frame and retired three straight batters.

Against Kent State, however, he was unable to hold an eighth inning uprising by the Flashes and suffered the loss after giving up two hits, a walk and a wild pitch.

Third baseman Glen Matter was the batting hero in Friday's win. In the tenth inning his long triple to center scored Ron Penkoff, who had singled off the pitcher's glove, with the deciding marker.

The game shaped up from the start as a pitching duel between Casper and Michigan Normal's Sheridan. Both men pitched brilliant ball and had the hitters swinging freely all day. Casper,

using his live fast ball and good curve to good advantage gave up only five hits and struck out 14 in his nine-inning stint, including the side in the first and ninth frames. He walked four.

The loser, Sheridan, yielded a total of eight hits in 10 innings, including three in the final two. He fanned 12 and issued four bases on balls.

Michigan Normal tallied first in the sixth stanza as pitcher Sheridan lead off with a single to left center. Falcon first baseman Phil Sekerchak made a beautiful catch of a popped up bunt attempt to retire one batter. The next man hit a grounder that bounced off Casper's leg out to second base and both runners were safe.

Temple then got his second hit, a single to left scoring Sheridan. The Falcon left-hander then bore down to retire the next two batters to get out of trouble.

The score remained 1-0 until with one out in the ninth Casper walked and was relieved by pinch runner Warren Trenary. Shortstop Jerry Omori then hit a high popper to right field that fell fair, but Trenary was forced at second on a throw by the right fielder.

Catcher Al Ikeda then rifled a long double to left center scoring Omori with the tying run.

In the Kent State game, the Falcons jumped to a one-run lead in the first frame as Omori lead off with a single, and advanced as center fielder Jack Carnahan beat out a bunt and Sekerchak and Hughie Dominic grounded out.

Kent couldn't do anything with the right hand slants of pitcher Bill Stough until the sixth when it went ahead 2-1 on a walk, two singles and a double.

Bowling Green again took the lead in the first half of the eighth as Ikeda walked and scored on a triple by Carnahan, who scored a minute later on another triple by Sekerchak.

Three hits, including a two-run triple, a walk and a wild pitch in Kent's half of the eighth gave the Flashes their victory.

Bowling Green starter Stough gave up a total of seven hits most of which came in the late innings. He struck out three and walked only one.

Golf Opens On April 25 At Wayne U

Weather permitting, the Falcon golf team will open against Wayne University at Detroit Friday, April 25. The following day it will play host to Michigan Normal on the home course.

Coach Don A. Cunningham will have only four days of practice in which to pick his starters for the first match. David Slough, a sophomore from Findlay, is the only returning letterman from last year's squad. Frank Kraft, who saw limited service last year, is expected to be on the starting squad.

Raymond Combs, a member of the 1950 squad, is also expected to fill in one of the open spots. Among the new men out for this year's squad, Cunningham has picked James Dysinger, a freshman from Findlay, to be the most promising. Dysinger has had several years of experience in amateur golf in this area.

Other members of the squad will be Marvin Dessecker, Paul Fisher, Peter Genovese, Edward Keck, Burton Levine, Dean Marr, Daniel Muccigrosso, Richard Rodney, Bob Sables, Richard Weaver, Richard Wright, and Robert Zenobi.

Cunningham is planning to have play-offs among the players next week to cut down the squad. This year's team will be trying to better the mark set by last year's squad of three wins and five losses.

Thinclads Top Ohio U In First Meet; Lawrence Tech Next

After starting out the new track season with an impressive 72½-54½ win over Ohio University Saturday, the Falcon track squad will trek to Western Michigan tomorrow for another rigid test.

The local crew captured eight of fifteen first honors with Lee Pate taking two first slots: one in the mile run and the other in a tie with Marv Crosten in the two-mile run.

Ohio U took the 880-yard relay in 1:33.7 with Arcangel, Fleitz, and McCoy going the distance.

Pate, Crosten, and Duricy took the first three places in the mile run for Bowling Green in 4:35.6 while Bertelsen and Wright streaked the 440-yard run in 52 seconds with Bradshaw of Ohio U getting third. Fleitz and Laughlin sprinted to first and second place victories in the 100-yard dash for OU while Springer took third for the Falcons. The 100-yard dash time was 10:5.

Bradshaw of BG and Mercer of OU took first and second places respectively in the high jump. Galapoo and Nanquou of Bowling Green tied for third. The winning height was 5-10½.

The shot put went to OU with Bednarsky and Osburn taking

first and second for the visitors. Preston grabbed third for the locals. The distance was 41-13½. Ohio also took the discus with Unstead heaving the platter 136-9. Jay England and Scheiderran managed second and third for the Falcons.

Hall and Roane captured the first two slots for Bowling Green in the 880-yard run and Mercer took third for the losers. The winning time was 2:52.

The 120-yard high hurdles was won by Hersman of OU in 16:3. Slager was second for BG and Dluzen third for Ohio U.

Sullivan of Bowling Green ground out the 220-yard dash in 23:2 while Bowscher and Fleitz followed for the visitors.

Lee Pate and Marv Crosten combined forces to take the 2-mile grind in 10:30.4 and Marr came in third for the home team.

Jim Workens took the broad jump for the Falcons with a jump of 19-93½. Herman of Ohio U grabbed the 220-yard low hurdles in 26:6.

Reed helped the losers' cause by taking the pole vault with a towering 12-4.

A winning combination of Dorenkott, Wright, Hall, and Bertel-

sen, ended the meet with a win in the mile relay. Time was 3:32.

Happy eighth day of baseball season to everyone. In the major league the Indians are on top with seven straight wins; in the minor league the Toledo Mud Hens aren't doing too well; and in the Greek league the Alpha Chi Omegas beat Chi Omega 21-20 in the first annual Chi Bowl.

The game was played Saturday afternoon and - as followed by a party at the Alpha Chi Omega house.

The Sigma Chi's were beaten in baseball Saturday afternoon by their alums with a score of 7-2. The game was part of the group's fifth annual alumni day, celebrating the Sig's going national at Bowling Green. Their closed formal was Saturday night in the Lab School Gym.

After being beaten by their alums, the Sigs challenged the Delta Gammas to baseball and a weiner roast on the golf course Sunday. The gallant losers played left handed and ran backwards for this game, but didn't keep score.

Among the rash of picnics was one given by Phi Kappa Tau for Phi Mu Saturday at Powell's Pond. Delta Gamma pledges also gave the Phi Tau pledges a picnic at City Park Saturday. Delta Zeta pledges were given a picnic by the actives at the pond Friday.

Alpha Sigma Phi pledges spent all day Saturday polishing shoes at Four Corners. They gave the entire proceeds to the Cancer Fund.

Sigma Chi pledge class officers: Tom Bassett, president; Ed Haller, secretary; Tom McCabe, social chairman; Ted Beuke, song leader; and Bill Rogers and Wayne West, sport leaders.

Alpha Phi pledges awoke the actives at 4:30 Saturday morning for a splash party at the Nat. They served breakfast to the actives afterwards at the house.

The Alpha Tau Omega closed formal was Saturday night at the Armory. The dance was preceded

by a dinner at the Women's Club.

The DGs were awakened early Saturday morning for a surprise breakfast given by the Sigma Phi Epsilons.

Phi Tau pledges gave their actives a party Saturday night.

Alpha Sigma Phi pledges gave the Phi Mu pledges a kiddie party Friday night.

A tea for all sorority pledges was given by the AChiO pledge class Sunday afternoon in the P. A. Aud.

Alpha Phi pledges were given a spaghetti dinner by the actives Saturday evening. The catch was, it had to be eaten with kitchen utensils—egg beaters, sieves, butcher knives, etc.—one to a pledge. Just a little retaliation for the pledges having absconded with all the Phi's silver a few days before Easter.

Friday the AChiO pledges gave the actives a spring flower party. Everyone went dressed as her favorite flower.

Women's Independent Society officers: Jennie Kepic, president; Sally Fanton, vice-president; Marcia Carlsten, recording secretary; Betty Smith, corresponding secretary; Phyllis Bedette, treasurer.

Be Happy-Go LUCKY!

Wonder if my answer's right
Each time I take a test.
No guesswork, though, for cigarettes—
For Luckies taste the best!

Barbara Mencher
Brooklyn College

In a cigarette, taste
makes the difference—
and Luckies taste better!

The difference between "just smoking" and really *enjoying* your smoke is the *taste* of a cigarette. You can *taste* the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are *made to taste better* . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that *tastes better!* Be Happy-Go Lucky! Buy a carton today!

When I light up a Lucky,
I know just what's in store—
A cigarette of mildest blend
And taste that calls for more!

L.S./M.F.T.-Lucky Strike
Means Fine Tobacco

The Rebels and the Yanks were foes.
But now they all agree
That nothing else can match the taste
Of L.S./M.F.T.
